It's time to wrap up another beautiful year. But before you do that remember you have another 31 days to check off all the items from your bucket list and accomplish the goals that you had set for the year 2019.

As we look forward to the New Year with new hopes and a new surge of excitement, we also want to fondly remember this year that is about to leave us with its fair share of happy memories and learnings. Firstly, I want to thank all the wonderful women who embarked on a life-changing voyage with Meyer Direct. It is overwhelming to note that our number swelled from a mere – to – this year. I am also immensely happy that our venture has truly blossomed and made its presence felt in different parts of the country, including Punjab, Manipur and Uttar Pradesh.

This year also marked the launch of various new kitchenware products, some of which, such as Kitchen Hacks, were specially designed for our DCS team and I am glad that you tapped these products to make a splash about our ingenious plan.

While the year 2019 was about planning and proliferation, 2020 should be all about successful implementation and execution of these plans. Meyer Direct has every attribute to emerge as the biggest and the most lucrative Direct Selling Venture in India and I am happy that this year we have built a team, who are fully capable of helping us achieve this stature.

Once again, I thank you for being a part of this venture. As you stand in the threshold of another new year, always bear in mind that you are the architect of your success and dreams.

Wishing you and your family a Merry Christmas and a Prosperous New Year!

Warm Regards,

Dr. M. NANDA
